SCHOOL DIRECTORS' REPORT

An itemized report will be published in July.

The teachers for this year are paid as follows: High School \$12 50 per week; Grammar \$10 50; Primary \$9; Island \$9; Bennett \$9; Shattuck \$7 50.

Fuel and supplies will be about the same as usual. New hardwood floors have been put down in the two larger schoolrooms and the hallway at the village school. Thirty-five new adjustable desks have also been provided for these rooms. The High school has been transferred to the smaller room in the back part of the building and some changes made in the windows so as to give better lighting. At the Bennett school a jacketed stove has been put in, and the windows so arranged as to have the light all come in from the left and rear of the pupils. At the Island it was necessary to get a new stove.

These are some of the principal changes that have been made. There are other things which might be done to improve some of the school buildings, and we feel that the town should vote at least sixty-five cents on a dollar of the grand list for school purposes the coming year.

We wish to thank the parents and teachers for their hearty cooperation this year.

Respectfully submitted,

G. H. COBURN,	}	School Directors.

WILDER MEMORIAL LIBRARY

During the past year thirty books have been purchased, twenty-nine received from the state, thirty-three presented by Mr. and Mrs. Lewis Parkhurst, four given by the Dramatic Club, an eleven volume edition of Messages and Papers of the Presidents given by Miss Grace E. Gilmore, three volumes received from Norwich University, and one from Hon. Eugene Chafin. This makes 1,670 volumes in the library.

We have subscribed for the following list of papers and magazines for this year: Ladies Home Journal; Popular Mechanics, Country Gentleman, Youth's Companion, Vermonter, Literary Digest, American Boy, World's Work, Munsey, McClure's, Children's Magazine, and the Lyndon Aggi.

The librarian's records show that 3,210 books and 497 magazines have been circulated during the year, and that there have been 3,153 visits at the library by 712 different people.

Besides supplying good reading to all parts of our town, the library frequently has calls for books or magazines by people residing in some of the neighboring towns. So we feel confident that the library is proving to be of much real benefit to the community. Once more we ask for a list of any really good books which you would like to have placed in the library. The regular library hours are from five to nine Wednesday and two to nine Saturday afternoons.
